

Let your Christmas gifts Double the Joy!

Give a gift of *love and hope* this Christmas that will bring joy to someone on your gift list – *plus another*, by helping provide shelter for the homeless, food for the hungry, medical treatment for the ill, care and developmental opportunity for those who need to know that God cares.

As a present to your friend/relative, make a donation for one of the following (you specify which):

- Feeding, Medical or Training/Development* Programmes for those in great need in Haiti - operated by the United Church's Mission in Haiti. (* This includes training for Nurse Practitioners certification and small scale chicken farming opportunities to help families learn to earn a living.)
- Pringle Home for Children and Mt. Olivet Boys Home – the United Church's homes in Jamaica for orphans/children in need of care.
- Schooling for Dalit children in India ["Dalit means 'broken' or 'ground down'. ... the 'untouchable', which indicates the extreme discrimination" they face. (- WCC - See: overcomingviolence.org)]

We will provide a **Gift Certificate** that you can give to the one on your list.
